CONTERN

DEAR CITIZEN

We would like to **thank** our voters for the great trust they placed in us on June, 11th.

With their votes, we, as election winners, managed to remain the strongest group in the Contern municipal council with 44.2% and to continue to be represented with 5 mandates.

As promised, we spoke to all parties after the elections and carried out an analysis of the election programmes. Accordingly, and in line with the intention to continue working in continuity, we will continue to do so for the next 6 years in a CSV-LSAP coalition.

Of course, the whole council will continue to be involved in the elaboration of important projects through working sessions.

Many projects have been worked out and are to be implemented in the coming years.

Our goal is a constructive and far-sighted policy for all citizens.

This is only possible if, as in the past, we involve you, dear citizens, through regular citizens' meetings and workshops on the major projects in our municipality.

We are counting on your constructive cooperation for the future of our beautiful community in the next 6 years.

Thank you for your trust, **thank you** for your continuous support.

GOOD BYE AND SEE YOU SOON

We regret to inform you that Tom Jungblut, who was elected to the municipal council on June 11th with 1014 votes, is unable to assume his mandate for health reasons.

Tom has done an excellent job over the past six years, two of which were as a municipal council member and the following four as an alderman, contributing to the progress of the community and working tirelessly for the well-being of our citizens.

We would like to express our heartfelt thanks to Tom for his cooperation and, in particular, for everything he has done for his commune of Conter.

All of us, Tom's colleagues at CSV Conter, wish him a speedy recovery and a swift return to good health.
